

# How Can I Get My Vaccine?

**Fall/Winter 2023-2024:** An updated Covid-19 vaccine is recommended for everyone 6 months and older. The updated vaccine protects you from recent variants. You can get your Covid-19 and flu vaccine the same day.

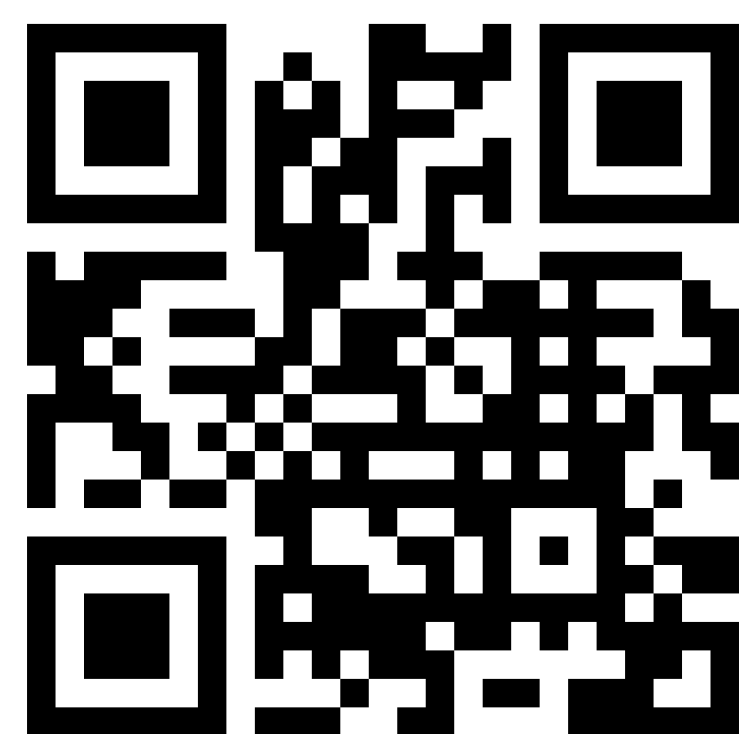

- Make a Covid-19 vaccine appointment at **vaccines.gov**.
- Don't have health insurance? The **Bridge Access Program** provides free Covid-19 vaccines.
- Search for locations that offer the Bridge Access Program at **vaccines.gov**.

## How to use a QR code:

1. Open the camera on your phone.
2. Point the camera at the QR code. Your camera will scan the QR code.
3. Tap the link you see on your screen.
